Date: MAY 26 1950

FROM : Chief of Base, Frankfurt

INFO: EE, BONN

SUBJECT: General - Operational/CART/CADORY/DILLIKEN

Specific - Bonn Telephone Number Used by
Werner Franz GLASHMAPP

Reference: ENFA-48896, dated 7 April 1958

(P- [] (E/4)

1. On 19 May 1958 reference was passed to FCB/Operational Support to determine the identity of the subscriber to Bonn telephone number 27018, which is mentioned therein.

2. CALLIKEN tells us that there is no such number in the Bonn area. To check the accuracy of their statement, we have personally searched the Bonn telephone directory. There are no numbers listed that begin with 27.

3. If 27018 is supposed to be the number dialed or called by GLASHMAPP, there may be a garble in your original transcript. If the number was spoken by the person on the Bonn end of the telephone conversation, it could either be a number in a different city or it could have been given in a simple substitution code to disguise the true number.
